ACADEMIC COACHING

Academic coaching is the **one-on-one process** of helping you identify your academic strengths and weaknesses, then devising a **personal plan** to fit your needs.

**Academic coaches** can assist with many academic concerns including overcoming writing blocks; pre-writing; balancing priorities and managing time; developing graduate-level reading, note taking, and study skills; and enhancing presentation skills.

Since the service is covered by your student fees, there is **no additional cost** and no limit to the number of times you can see an academic coach.

To make an appointment, call 458-4694 or drop by one of our offices: MS 1.02.02 (Main) or DB 2.114 (DT).
