Graduate Student Orientation

Have you registered for orientation?

Graduate Student Orientation provides new Master’s and Doctoral students the opportunity to receive an overview of life as a UTSA graduate student.

Orientation sessions are available on campus and online.

Please register for orientation online at: http://graduateschool.utsa.edu/current-students/graduate-orientation/

International Student Orientation

If you are an international student, the Office of International Programs has a mandatory International Orientation.

The day is filled with a wide range of services and useful information, including the following:

• Presentations by offices offering services and information to international students.
• Immigration check-in.
• Assistance with taking required tests (TB, ELAP, and Accu-Placer).
• Academic advising and registration.

For more information and registration forms, please visit: http://international.utsa.edu/international-student-orientation/

College/Department Orientation

Each College/Department conducts a mandatory orientation to provide department-specific information that is vital to your academic success at UTSA. Please contact your department for specific information concerning the date, time, and location.
